| Product description | Phase selector motorised changeover switch 160A with motor unit supply 12Vdc . Size D3 dimensions 185x205x113, includes auxiliary contact for each position 12A. Back plate mounting. Built-in internal links, mechanical and electrical interlock. Local emergency operation, includes removable padlockable handle. Display for switch position indication and operation counter.Impulse control logic. Protection against supply voltage failure . Terminal connection with tubular cable lugs M8 up to 120mm2. |
